

Sponsorship Opportunities

Thank you for your consideration.

POINT WALTER
GOLF
COURSE

Welcome to Perth's Premier 9 Hole Golf Course.

Set in the heart of the Point Walter Reserve, offering idyllic views of the Swan River, Point Walter Golf Course offers golfers of all abilities the opportunity to enjoy pristine fairways and pure greens.

Now is the chance to secure your own business sponsorship of a golf hole of your choice, promoting your brand within one of Perth's most sought after locations.

With over 50,000 visitations per annum the golf course signage and online promotion provided to hole sponsors delivers your business significant recognition, along with valuable opportunities to entertain your clients throughout the year.

We appreciate your support of this wonderful facility, and we are sure that our partnership will benefit both your business and our local golfing community long into the future.

A tour of our venue and course is always welcome so please do not hesitate to contact me to arrange this.

Thank you and speak with you soon,

Douglas Bailey, Venue Manager.

Point Walter Golf Course is nestled alongside Perth's Swan River with sweeping views and spectacular scenery. This 9-hole golf course is highly regarded for its quality fairways, greens and picturesque landscape.

Our newest experience is our Goanna Mini Golf Course, WA's best mini golf course (Open 7 Days a Week). Look out for our mini golf special events and play under the stars with our night mini golf open Thurs, Fri & Sat evenings.

our course & venue

1st Hole

See why we are Perth's most picturesque public golf course when you tee off with this stunning view. Surrounded by trees and nature reserve, it's best to aim left to avoid the bunker and get your round off to a good start.

2nd Hole

Straightforward hole, avoid the bunker by teeing up on the right. Pro tip: landing left and long is safe. Nestled amongst the trees it's a beautiful view from a friendly green that will surely keep your score card headed in the right direction.

3rd Hole - available

Beware of the tee off. Start from the left, aim a little bit to the right with your target being the hill. Bring it home in two and pat yourself on the back.

4th Hole - available

Beautiful picturesque view start to this hole. Be careful of the bunker snuck in behind the green. Pro Tip: Best to use an iron for placement as this hole does go a little right to left, giving you more options heading into the green.

5th Hole

Big double edged right to left hole with magnificent trees. Downhill hole, stay in the centre and avoid the right hand side bunker as you arrive on the green.

6th Hole - available

Big drop off on the right hand side. Watch the breeze on this one and adjust your clubs as the wind increases. Green is undulating providing a challenge to those unfamiliar.

7th Hole

This is an absolutely stunning part of Point Walter. Well known for the huge tree in the centre of the fairway. If you can concentrate with the beautiful view play your second shot high and soft into the green to finish with par and take one last look back at where you tee'd off from. Spectacular.

8th Hole

A beautiful hole to drive down breeze. Ideal for a hole in one if your form is fine. A spectacular view of the river emerges from the trees as you approach the small, challenging green.

9th Hole

A long, tricky hole to finish with. Tee up on the right to avoid the trees, at the same time watch the bunker at the back of the green! Score your card and head into Grass Lands Bar & Cafe for some well deserved refreshments.

Contact Us

To book a tour of the Point Walter venue or discuss a partnership with your business please contact our Venue Manager, Douglas Bailey on 9330 3262 or by email: dbailey@belgravialeisure.com.au
